Progress Rail Services
PWS ID #WY5601463

Dear Mr. Vanden Bergh:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order (Order), Docket Number SDWA-08-2003-0010, issued to the Progress Rail Services water system (the System) on May 1, 2003. The EPA has found that the System has complied with the terms of the Order so we will close the Order at this time.

Please be aware that the System is still required to comply with the National Primary Drinking Water Regulations (NPDWRs), 40 CFR Part 141. Violation of the NPDWRs or an administrative order may subject the System to a court-imposed injunction and penalties of up to \$32,500 per day of violation.

Thank you for your attention to this matter. If you have any questions related to this matter, please contact Olive Hofstader at (303) 312-6467.

Sincerely,

Lisa Kahn, Team Leader
